Cue identity v1.0 · October 2026 · graphite, no hue

THE MARK

The lockup is the written word and the caret: *cue* followed by the next line. The caret is part of the mark — never drop it, move it, or animate it in static use.

Single color only: #1C1C1E on light, #ECECEF on dark. Brand ink #2C2C31 / #E6E6EA is also allowed.

CLEAR SPACE

x cue| x

x

Keep clear space of **x** = the x-height of the wordmark on every side. For the symbol alone, ¼ of its size.

MINIMUM SIZES

cue|

Lockup 18 px tall · 7 mm print

Symbol 16 px

32 px

Below 18 px tall, use the symbol. The symbol is drawn on a 1.5-unit grid so it lands on whole pixels at 16, 24, 32 and 48 px; scale it in those steps on screen.
